PAYROLL OUTSOURCING

PAYROLL OUTSOURCING

As a leading HCM platform provider for the region combined with its decade long experience as payroll outsourcing company, DataOn Humanica knows the needs and requirements of companies in Thailand, Indonesia, Singapore, Philippines, Malaysia, and Vietnam better than anyone else.

With their different languages, currencies, laws, and regulations it can be difficult for companies as they expand into these fast growing economies.

Having seen these challenges first hand, DataOn Humanica is using its deep HR and Payroll expertise and has established multi-country payroll and HR services for multinational organizations. Our services are designed to support all companies - whether they are operating in a Shared Services environment or have a multiple offices or multiple country environment.
